Meeting Details:

ZOOM waiting room opens; our host will accept you into the meeting

Welcome and round the 'room' (or should that be ZOOM!) introductions

See website for individual meeting details

Meeting rules

The main meeting is currently for Members only.

The Curio style meeting is for Members and Friends.

During the meeting you are asked to be muted unless you are asked to speak. You will automatically be muted when you enter the meeting. It gets very confusing if everyone speaks at once or is making noise eating or drinking for example.

There is a 'chat' box which everyone can see and you can write comments in there and request to speak.

It is optional to have your camera on so we can see you - but please do - it is really nice to see all the friendly faces.

Please feel free to leave the meeting if you can only attend for part of it.

If you are late enter the waiting room and our host will accept you into the meeting.

SBN Virtual Meetings – Technical instructions

These meetings will be continuing on our normal meeting dates for the Curio Style meeting and will be used as back up for poor weather for planned face to face meetings until further notice.

You will be sent an invitation to the meeting with a link in a separate email

Using Zoom is free (unless you choose to pay for extra capacity). Set up a zoom account for yourself and access our meeting by using our link. Any issues on the day please email us or facebook message us for assistance.

You can use ipads, tablets and mobiles although laptop or pc is best for seeing people in the meeting. You will have to swipe sideways on tablets and mobiles to see all individuals in the meeting.
